FOR IMMEDIATE RELEASE

SR-110 55-HOUR CLOSURES SET FOR THIS WEEKEND

PASADENA -- A 55-hour weekend closure related to the Arroyo Parkway Improvement Project is scheduled to begin at 10 p.m. Friday, October 15 until 5 a.m. Monday, October 18 on southbound State Route 110 from York Boulevard to Avenue 52. The closure is necessary to construct the median barrier and to expedite the construction schedule.

Additionally, the following ramps and connectors will be closed:

- Northbound Golden State Freeway (I-5) connector to northbound SR-110;
- Southbound SR-110 Avenue 57, Avenue 60, Marmion Way and York Boulevard on-ramps;

The \$17 million project, from I-5 in Los Angeles to Glenarm Street in Pasadena, will replace existing barriers with safety-enhancing concrete median and side barriers and install historic reproduction lighting.

Intermittent 55-hour closures are scheduled during construction through early 2011. Traffic control measures will be implemented and detours will be signed. Additional notification will be sent before each closure. The project is expected to complete in late 2011.

Project benefits include enhanced safety for motorists, reduced delays due to maintenance-related closures, reduced maintenance costs, and reduced exposure for Caltrans maintenance workers

For further information about the project, please contact Caltrans Public Affairs at (213) 897-3656 or visit the project website, where detailed detour maps are available:
